

KISASA FC

Turf Management Student Attachment

3-Month Placement

ROLE OVERVIEW

The Turf Management Attachment Student will support turf management operations by preparing and maintaining training and match-day pitches, ensuring safe, consistent, and high-performance playing surfaces for the club.

KEY RESPONSIBILITIES

- **Pitch Preparation:** Maintain elite turf quality ahead of all training sessions (4-5 sessions per week) and match days.
- **Monitoring:** Regularly assess turf condition to identify and report wear, damage, or potential hazards.
- **Maintenance Support:** Assist with core turf care practices including irrigation (watering), brushing, and debris removal.
- **Safety Assurance:** Proactively check for uneven areas or injury risks to ensure the safety of all players.
- **Usage Management:** Assist in managing pitch usage and rotation strategies to prevent overuse and deterioration.
- **Facility Presentation:** Maintain the cleanliness and professional presentation of the pitch and surrounding areas.
- **Coordination:** Work closely with coaching staff to align pitch setup with specific training and preservation needs.

SKILLS & REQUIREMENTS

- **Education:** Currently pursuing a Bachelor of Science in **Horticulture** or **Soil Environment and Land Use Management**.
- **Technical Interest:** A genuine interest in turf management, sports facility management, or recreation management.
- **Attention to Detail:** Strong awareness of turf condition and surface quality standards.

- **Work Ethic:** Reliable, proactive, and able to work effectively in a performance-driven environment.
- **Knowledge:** A basic understanding of professional pitch care and maintenance practices.

LEARNING OPPORTUNITIES

- Direct exposure to professional sports facility and pitch management operations.
- Development of practical planning and operational coordination skills.
- In-depth insight into maintaining high-performance training environments for elite athletes.
